

INSTALLATION TIME MEASURED IN MINUTES, EXTRA RIDING TIME MEASURED IN YEARS

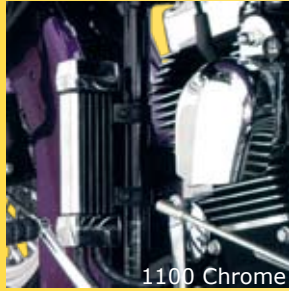

- Cooler oil makes engines last longer. It's as simple as that!
- Jagg Oil Coolers feature cutting-edge technology to keep your engine cool even under the most punishing conditions.
- And because they're designed to look as good as they perform, they'll perfectly compliment your bike's style.

ENGINEERED TO PERFORM

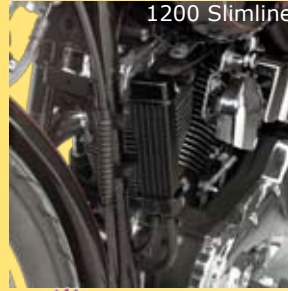

- Multipass oil flow configuration insures the oil's utilization of the entire oil cooler.
- Specially designed turbulators in each oil passageway gently stir oil, exposing it to more critical heat dissipation surface area.
- Highly concentrated mini-louvered air fins allow maximum heat transfer.
